

MI DICCIONARIO DE VIAJAR - Capítulo 6

WHAT: We are about to embark on a trip to South America. You will be speaking Spanish almost exclusively. To make this easier for you, you will create a travel dictionary of words/phrases from the Primer y Segundo Paso - a total of 41 words. You may find these words on page 185 of your text or your gold vocab sheet.

COVER: Write EVERYTHING in the libro en español. You may use the title above or create your own. Be sure to write your name on the front "Por " (by) and your first and last name (legible). You may illustrate the front cover.

INSIDE: Pick up 3 pieces of paper. Fold them in half "hamburger style" and then two more times. You will end up with 24 pages for your book, now cut. You may want to number these pages. Staple these together so it will be easy to read all pages.

You may want to organize words by topic to make it easier for you to locate them quickly. Think about this before you start. You have 41 words and 24 pages - how will you organize them?

EACH word or phrase must be written in Spanish. (remember - no English)
WRITE in Spanish a definition of the word and/or draw a picture. Then
WRITE a sentence using the word.

Note: If two words or phrases mean the same thing you may list them together instead of making two separate entries.

POR EJEMPLO:

Averiguar "buscar y encontrar información" and/or a picture to illustrate the word (oración) "Necesito averiguar donde puedo comprar estampillas"

This project is due at the end of the period. Worth 48 points.
