**II. Writing**

(Maximum score: 40 points)

Complete the following activities in the space provided.

- A Descriptive** Write a description of you and your family when you were little. (15 points)

Include:

- Your age and what you were like
- How many people were in your family
- Where you lived
- What your family liked to do together

---

---

---

---

---

---

- B Narrative** Write a report about what you were like when you were ten years old. Say what you looked like, what you did for fun, where you liked to go, and what you liked to do. What was your favorite subject in school and who was your best friend? (15 points)

---

---

---

---

---

---

- C Expository (Compare and contrast)** Write a comparison of yourself and your brother or sister when you were younger. If you don't have a brother or sister, make the comparison with your best friend or a close relative near your same age. (10 points).

Include:

- Who was older
- Who was taller
- What you both had in common
- How you were different
