This event is free and open to the public. All family members and friends of the LHS Music Department are encouraged to attend this important music event. This is equivalent to all athletic district and state sanctioned events in importance. Your student, whether they will admit it or not, would appreciate your support for them and their fellow students who have worked countless hours in preparation.

For Freshman and Sophomores who do not drive, we are providing transportation to North Star but all students are on their own for rides home. Please plan accordingly.

This is our first year in participation in the NSAA District Music Contest thus replacing the LPS All City event as done in the past

Reminder, all events this year take place at North Star High School, it is open to the public. Your attendance is encouraged and appreciated by all of the students.
